

## How to register for an on-line respite course?

The Respite Learning Portal is a division of Safeguards Training for Children and Adults.

To register for the on-line Respite Training Certificate and Respite Care for People with Autism Certificate courses click on:

[www.safeguards-training.net](http://www.safeguards-training.net)

An email account activation notice will be sent to registrants within 3 business days upon receipt of payment excluding holidays. Contact the Respite E-Learning Coordinator for more information: [respites@safeguards-training.net](mailto:respites@safeguards-training.net)

Please check your junk mail as notifications are often directed there due to the high volume of emails created by the system.
